Country comments

Countries may add comments to explain their national data in the specified "Comments" column. If you add a comment, please specify whether it refers to a specific year's entry only or to the entire time-series (unless self-evident). In particular, comments should be inserted for any major operation, for any operation reported in rows d) and h) of Part 1 or rows d), g) and k) of Part 2, as well as for every case for which the difference between the assets of year T from assets of year T-1 differs significantly from the value of transactions for year T.
