

Source indication and disclaimer

In publications of research wholly or partly based on CBS microdata, the source must be indicated as follows (see also page 2 of the documentation reports):

“Results based on calculations by [name of research institution or commissioning party] using non-public microdata from Statistics Netherlands.”

In case an explanation is required that the data used for this research is not available automatically for duplication, for instance, the following statement can be added:

“Under certain conditions, these microdata are accessible for statistical and scientific research. For further information: microdata@cbs.nl.”
