

# Onderzoeksvoorstel Microdata Services

## Template for the assessment of the application for a CBS Microdata project

Desired start date:.....

What is the purpose of the microdata project?

.....  
.....  
.....  
.....

What is the main research question? What are the sub research questions?

.....  
.....

What is the target population?

.....  
.....

Are data linked that are not obtained from CBS? If yes, state who the source holder is and whether the use complies with the GDPR.

.....  
.....

Please give a brief description of the content of these data and indicate how large the population is.

.....  
.....  
.....  
.....

Which CBS files<sup>1</sup> are needed? Provide a brief motivation for using the file. Also indicate the needed volume(s) per file. If it is not known which file is required, please state which information is required in the motivation.

File name	Volume	Motivation for use

<sup>1</sup> You will find the most recent documentation reports of the available micro-data files per theme in our [catalog](#). The reports are in Dutch.

Is data needed that is not available as standard<sup>2</sup> and additional statistical research<sup>3</sup> required by Statistics Netherlands? Give a brief explanation of what information you need.

.....  
.....

Is the project carried out for a third party? If yes, please state who the client is.

.....  
.....

---

<sup>1</sup> You will find the most recent documentation reports of the available micro-data files per theme in our [catalog](#). The documentation reports are in Dutch.

<sup>2</sup> Statistics Netherlands also performs [customised statistical research](#) using existing data on request.
